

The National Pan-Hellenic Council is the governing body of the nine historically African American fraternities and sororities. These organizations are committed to scholarship, community service and cultural enrichment. The primary purpose of the National Pan-Hellenic Council is to create and maintain high standards and to perpetuate constructive relationships both within, and among, our affiliate organizations. For the scholarship, NPHC affiliates and their respective members, and StompFest Pensacola have pledged to devote proceeds from StompFest 2018 to service in their communities as well as a lifetime commitment to the goals and ideals of each organization.

In said commitment to scholarship, community service, and cultural enrichment, the Greeks United Scholarship award is granted to either an undergraduate or graduate student who exemplifies high academic achievement, leadership, and involvement within the community.
